

Dropsafe Barricades

The Dropsafe Barricade is a work site safety management system.

The Barricade is the only versatile and fully customisable system designed to install in any type of access and work area.

The Barricade system's flexibility enables good housekeeping practices, providing a safer working environment for your personel.

Installation Types

Free Standing

Wrap Attachment

Magnet Attachment

Barricade Fence

Quotations

The Barricade can be used for different applications throughout a facility. The system has multiple attaching options, customisable chain lengths, modular signage and a modular weather resistant documentation pouch. When selecting Barricade components, consider the different areas the Barricade can be used at your facility and the required attachment scenarios. To order, complete the **“General RFQ Form”** (photocopy from Product Guide or download from www.dropsafe.com/resource-centre) and email us at products@dropsafe.com.
